

StC Payroll Giving

Fundraiser Statement

April 2017

This fundraiser is employed by StC Payroll Giving Ltd, a Professional Fundraising Organisation. StC provides fundraising services to charities throughout the United Kingdom. Our appeal is to attract regular, ongoing committed givers to charity and we work with charities on a rolling year basis. Representation is free, allowing funds to be raised without risk and at low cost. **Only if support is generated from our work are we paid a fee by the charities we represent (please visit www.stcpayrollgiving.co.uk and click on 'Downloads' to find a full charity list).** The average life of a Payroll Giving donation is circa 7 years. Last year, our work resulted in recruitment of new Payroll Giving donors pledging over **9 million pounds to charities** (in one year alone). **This year we estimate our annual remuneration will be in the region of £600,000.** This cost is proportionately shared by approximately 200 charities we are contracted to (in accordance with donor instructions).

Once deducted from your salary, your donation will be passed in full to the HM Revenue & Customs approved agency your employer is contracted with who is responsible for disbursing monies to the relevant beneficiaries per your instructions. At this stage, there is a small fee payable dependant on the agency (the agency receives this, not StC Payroll Giving - details available on request). In many cases your employer will cover this cost.

As per StC's complaints procedure, all complaints may be sent to STC at Fernleigh, Bullockstone Road, Herne Bay, Kent CT6 7NL or by e-mail at enquiries@stcpayrollgiving.co.uk. Verbal complaints may be made by phone to 01227 361 960 or in person to any of STC's staff.
